## DAVENPORT

**Falls at Suicide.**—J. P. Mott, the man who attempted suicide Wednesday night by cutting his throat, is reported better and it is now thought that he will recover.

**Taxes Being Collected.**—Approximately \$150,000 was received by the city during the past month in city taxes according to the reports from the office of City Treasurer Noth. Up until Saturday the amount had totaled \$125,000 and it is estimated that \$25,000 was taken in.

**Relieved of His Roll.**—To be relieved of \$60 in a negro resort in Rock Island was the experience of a young Davenport whose name is not given out. The resort is on Twentieth street and First avenue. The matter was reported to the police but the dusky maiden who is accused of making the haul was not to be found.

**To Be a Countess.**—That Miss Tess Davidson of Sioux City, graduate of St. Katherine's, and well known in church and musical circles here, has forsaken an assured career as a grand opera star to become the bride of an Italian nobleman, is the announcement received yesterday by Davenporters who knew Miss Davidson when a school girl here. Miss Davidson, whose father is the largest retail merchant in Sioux City, is to be Countess Aide de Zuliani, the count being a member of one of the oldest Venetian families. The marriage will probably take place in Chicago, as the count is now in America.

**Tag Day Receipts.**—On incomplete returns at the Commercial club, headquarters for the tag day officials, Saturday night the amount received was \$2,712.81 for the day's work. This is over \$100 below that of last year when the amount was \$2,826.07, but it is in excess of the year previous when it was \$2,550.70. The money goes to the Visiting Nurse's association. Owing, perhaps, to the unfavorable conditions during the late afternoon and evening the amount was curtailed several hundred dollars. If the weather had continued favorable Saturday night it is beyond a doubt that the tag day workers would have realized approximately \$3,000. The Saturday night crowd in the downtown district was far below what it usually is.

**Obituary Record.**—At the family home, 810 West Seventh street, occurred, the death of Mrs. Treva Meyer, Friday night at 10 o'clock, at the age of 70 years. Deceased was born in Wisch, Probstei, Holstein, Germany, Feb. 4, 1841. She was reared in the fatherland and came to America and direct to Scott county in 1864. In 1867 she was married to Henry Meyer and immediately afterward they moved to a farm near Mayville where they lived until 1903 when they retired and came to Davenport. Deceased is survived by her husband, Henry Meyer, five children, her aged mother, Mrs. Lena Goetsch, one brother, Peter Goetsch and one sister, Mrs. Thomas Stollenberg. ## How to Drive Away Wrinkles and Double Chin

(Standard American Styles.)  
The clever woman of today does not sit down and fold her hands and resign herself to a wrinkled face, double chin, crow's feet and enlarged pores. Nor does she try the numerous and varied cold creams and ointments on the market which claim to annihilate wrinkles and sagging skin.  
What she does do—this clever woman—is to get off her druggist and buy a box of L. E. Baker's Skin Cream. She rubs half a teaspoonful into her skin until it is perfectly absorbed, and then bathes her face with cold water. This remedy is as simple as it is effective. It gives nourishment and heat energy to the worn-out tissues. The skin immediately feels taut and refreshed—the flesh firm and compact.  
One application works a marked improvement in her looks and every day her mirror tells her she is growing younger and prettier.  
For filling out hollowness in the neck, shoulders and arms, nothing is so effective as L. E. Baker's Skin Cream.

## S.S.S. PERMANENTLY HEALS SORES AND ULCERS

No matter in what way an old sore or ulcer first commenced, whether from a wound, cut, or bruise, or from the ulceration of a wart, pimple or mole, or even if it came without apparent reason, the fact that it does not heal shows that bad blood is responsible for the place. While the circulation remains impure and polluted, the nerves and tissues of the flesh around the place are constantly being fed with unhealthy matter and the fibres are thus prevented from knitting together and healing. Purify the blood and the place **MUST** heal, its cause having been removed. S. S. S. cures old sores and chronic ulcers because it is the greatest of all blood purifiers. It removes from the circulation every taint or impurity, and so enriches the blood that it feeds and nourishes the tender, sensitive flesh, causes a knitting together of all fibrous tissue and thus heals the place naturally and permanently. Book on Sores and Ulcers and any medical advice desired sent free to all who write and request it. S. S. S. is sold at drug stores.
